Terms & Conditions

- ELIGIBILITY:** This program offers a rebate for the purchase of an Energy Star rated qualifying appliance by a Hudson Light residential customer only for installation in the customer's primary residence billed under a domestic rate in the Hudson Light service area. The purchase must be made between Jan. 1, 2012 and Dec. 31, 2012, and the rebate request must be filed before Jan. 31, 2013. Hudson Light reserves the right to change any portion or to end this program at any time without notice. Available while rebate funds last.
- QUALIFYING PURCHASES:** The following new electric appliances that qualify as Energy Star rated and have been installed in a primary residence served by Hudson Light: clothes washers, refrigerators, dishwashers, dehumidifiers, room air conditioners, electric air source or geothermal heat pumps and central air conditioners.
- REBATE AMOUNTS AND PAYMENTS:** Completed rebate applications will be processed as they are received. Rebates of 10% of appliance price and no more than \$100 per central air conditioner or heat pump and no more than \$50 per all other appliances will be credited to the customer's electric account, with a limit of \$100 per residential customer per calendar year and/or while rebate funds last.
- VERIFICATION:** Completed application form, original sales receipt, original Energy Star label and contractor's invoice (where applicable) must be provided. Incomplete applications will be returned unprocessed. Hudson Light or its designated representative reserves the right to inspect or otherwise verify installation of the appliance.
- DISCLAIMER:** Hudson Light makes no warranty, expressed or implied, with respect to any equipment purchased and/or installed under this program.

Save money with Hudson Light!

The Hudson Light & Power Department offers rebates on the purchase of Energy Star labeled electric

refrigerators, clothes washing machines, dishwashers, dehumidifiers, room air conditioners, central air conditioners, and electric air source or geothermal heat pumps.

This program is open to all Hudson Light residential customers who purchase and install an Energy Star appliance at their primary residence service by Hudson Light between Jan. 1 and Dec. 31, 2012 and apply for the rebate before Jan. 31, 2013. Here's how it works:

1. **Purchase** a qualifying appliance from the dealer or contractor of your choice **between Jan. 1 and Dec. 31, 2012**. Remember,

qualifying appliances must carry the Energy Star label. For a list of qualifying appliances, see www.energystar.gov or call us at **978-568-8736**.

2. **Complete** the rebate **application** form on the back of this pamphlet.

3. **Submit** the **completed application form** AND the **original sales receipt** AND the **Energy Star label** from the qualifying appliance before Jan. 31, 2013. Application for Central Air Conditioner or Electric Air Source or Geothermal Source Heat Pump products should include a copy of the **contractor's invoice showing Energy Star eligibility for the installation.**

4. Your application will be processed by Hudson Light and you will receive notification of approval or the reason why your application cannot be approved.

Rebates

The Hudson Light and Power Department is offering rebates of **10%** of the appliance price up to a **\$100** maximum for qualifying central air conditioning and electric air supply heat pumps, and a **\$50** maximum per all other qualifying appliance. There is a limit of **\$100** per qualifying residential customer per calendar year and while the rebate fund lasts. All qualifying rebates will be credited to the customer's account.
