

Hudson Light & Power Department

Residential Heating/Cooling Rebate Program

Incentive type: Residential Heating/Cooling Rebate Program – Residential Conservation Service

Eligible Technology: Energy Star Qualified AHRI installations of Central Air Conditioning, Ductless Electric Heat Pumps, Electric/Air Source/Geo-Thermal Heat Pumps.

Applicable Sector: Residential – Primary Residence Only. Not open to builders.

Incentive Amount: Account credit of 50% of the project cost up to \$500.

Maximum Incentive: \$500 per customer, per calendar year

Program Budget: Limited and capped

Restrictions: Only installations for HLPD residential customers in their primary residence serviced by the Hudson Light and Power Department. Subject to applicable restrictions in the HLPD Rate Schedules and prior agreements.

Summary: HLPD offers residential customers financial incentives to replace inefficient heating and cooling with energy saving products. Customers will be required to provide the original receipt, proof of installation in the customer's primary residence serviced by the HLPD and the AHRI certificate supplied by the installer.

Contact: HLPD Customer Service, 49 Forest Avenue, Hudson, MA 01749.

Phone: (978) 568-8736

Website: www.hudsonlight.com

HLPD reserves the right to modify or terminate this program without prior notice. Check with HLPD on the program status and availability of funds.
