

## **Residential Appliance Rebate Program**

**Incentive type:** Residential Appliance Rebate Program – Residential Conservation Service

**Eligible Technology:** Energy Star Qualified appliances listed below

**Applicable Sector:** Residential – Primary Residence Only

**Incentive Amount:** An account credit in the amount of 10% of the appliance up to \$50 per appliance.

**Maximum Incentive:** \$250 per customer, per calendar year

**Program Budget:** Limited and capped

**Restrictions:** Only appliances 1) purchased by HLPD customers billed under a residential rate and 2) installed at their primary residence serviced by the Hudson Light and Power Department.

**Summary:** HLPD offers residential customers financial incentives to replace inefficient appliances with energy saving products. Customers will be required to provide the original receipt, energy guide label, and proof of installation in the customer's primary residence serviced by the HLPD. For information on Energy Star products, please visit [www.energystar.gov](http://www.energystar.gov). The following electric appliances are included in the program: Air Purifiers, Air Conditioners-Room, Clothes Washers, Clothes Dryers-Electric, Dehumidifiers, Dish Washers, Freezers, and Refrigerators. The deadline to apply for a purchase made during the calendar year is the last working day of January in the following calendar year.

**Contact:** HLPD Customer Service, 49 Forest Avenue, Hudson, MA 01749.

**Phone:** (978) 568-8736

**Website:** [www.hudsonlight.com](http://www.hudsonlight.com)

*HLPD reserves the right to modify or terminate this program without prior notice. Check with HLPD on the program status and availability of funds*

**Residential Appliance Rebate Application**

The residential appliance rebate program is open to customers served under a residential rate and who purchase an eligible appliance for their primary residence serviced by the Hudson Light and Power Department. Landlord and Commercial accounts do not qualify. Qualifying customers must complete the following rebate application and provide the original receipt, energy guide label, and proof of installation in the customer's primary residence serviced by the HLPD.
